

Lauren Meffen, MA, CCC/SLP, CLT

Lauren Meffen is a speech language pathologist with a passion for working with voice and swallow disorders. She has remained local to Gainesville after receiving her schooling with Bachelors and Masters degrees from the University of Florida. Lauren has worked in a variety of settings including hospital, skilled nursing, home health and has now found her heart belongs in the outpatient setting. Here she can provide a high level of individualized and quality care for each patient and family. Over the years, she has developed a love and specialization in working with the oncology population. She has advanced training in management of lymphedema of the head and neck, trismus therapy, muscle tension dysphonia, and myofascial release techniques. She strongly champions a comprehensive approach toward treating the whole patient, with the involvement of a skilled, multi-disciplinary team.
