

We welcome you to join us for the NLN Clinical Focus Group on Private Practice facilitated by Lisa Sylvestri, MSPT, CLT-LANA.

Please join Lisa in discussing the various challenges and techniques appropriate in the Private Practice setting, as well as questions and advice on starting your own private practice. All lymphedema therapists of varying settings, geographic location, and discipline are welcome.

We encourage submission of questions or topics for discussion via email at continuingeducation@lymphnet.org

These are not recorded, therefore they are not accessible at a later date.

Lisa B. Sylvestri is a PT practicing since 2000 and a dual certified CLT since 2008. She is the owner of Oasis Physical Therapy and Wellness in San Ramon, California which is a lymphedema and oncology rehab multidisciplinary office.
